Parent Testimonials

The program was great. No unnecessary officials in the younger leagues, great coaches, good playing times, and the fields were in great condition. The kids were more evenly matched up by playing ability, which was a positive change from other soccer programs we've been a part of. My son had an awesome experience. We'll be back next year! Brittani R. - 6U Parent, Fall 2012

What a great experience! All the coaches we played with had positive attitudes, and really helped cultivate a love for the game in our 3 year old. The best part was when Leo the Lion showed up at the end of one of the games, and was there to congratulate my son on his first goal! Made him even more excited to go to the RSL game and participate in the parade. - 4U Parent, Fall 2012
